WHAT IS ULTRAHACK?

↘ We believe hackers have the power to change the world - and find solutions to the biggest challenges in our time. But to make this happen, we need to stand together. Our mission is to build a community where the best talent and leading industry partners could meet and collaborate towards future innovations.

↘ INNOVATION PLATFORM It's a meeting point for everybody: hackers, mentors and industry partners.

↘ HACKATHON Last Ultrahack events have gathered around 600 hackers to solve around 40 different challenges in Helsinki, Finland.

↘ ACCELERATOR To make sure there is life after the Ultrahack, we have decided to collaborate with Nestholma Accelerator and other investors that offers financial support to promising Ultrahack teams.

WHY JOIN ULTRAHACK?

↘ Work with novel challenges, APIs and tools - in an awesome industrial setting

↘ Kick off your project on Ultrahack platform, receive feedback and team up with others while retaining your own IPR.

↘ Gain access to accelerator programs and funding afterwards

↘ Meet and network with tech, startup, student and developer communities

↘ Get support from mentors, startup coaches, investors and accelerators

↘ Win multitude of prizes, event tickets and travel grants to Helsinki

CHALLENGES & PRIZES

↘ HACK THE HALER! If your inhaler could talk, what would you like it to tell you as a doctor, as a patient, or as a caregiver? Solve this challenge by Orion Pharma and win 10 000€.

↘ HEL of a 3D CITY EVENTS How to utilize Helsinki 3D city models to make event experiences and their organizing better? Solve this challenge by City of Helsinki and win 5 000€.

↘ HACK YOUR JOB There is a mismatch in skill recognition on both ends - both recruit and recruiter. What kind of recruiting or job matchmaking services X&Y-generations would like to use? Solve this challenge by KEHA and win 3 000€.

↘ HACKING VALUE FROM FORESTS Utilize forest-related data to create user-friendly solutions that make forest asset management more efficient and win 5 000€.

↘ OPEN CHALLENGE If you have a great project that doesn't fit any other challenge, apply to our Open Challenge! Open track projects will be judged by Ultrahack and there will be surprise prizes!

↘ STUDENT AWARD The Best Student-made Solution Award worth of 2000€ in cash.

HOW TO JOIN

↘ Sign in at Ultrahack.org and Apply to Ultrahack Sprint I

↘ You can submit your idea/plan OR look for a team (hint: improve your chances by submitting a project description)

↘ Selected participants will be invited before April 16th
